Greetings from your new President.

I hope we will all have a wonderful successful year. I want to make our meetings fun and educational. So lets all try to make the meetings and bring your heads full of new thoughts for us to toss around. Feel free to contact me any time. 541-420-5889 or elmurphey09@gmail.com

NEXT MEETINGS

It's always fun to see how our colleagues work, so this coming year we will have the opportunity to visit various members' studios by having our meetings there. If you are interested in hosting a meeting in your studio, let Eleanor know.

Our next members' meeting will take place at Steve Provence's studio on Monday, March 26 at 5:30 pm. Bring munchies to share
37 S.E. Bridgeford Blvd, Suite A-3 Follow the signs from 9th street

Your new ideas are eagerly looked forward to. Please share with us your thoughts to improve our guild. What you want to see and do. If you have ideas include how to implement them and concenter if you are willing to take it on.

The next meeting of the Wildfire committee will be Friday, March 16 from 12:00 to 1:00 pm in the Hutchinson Room (upstairs) of the downtown library

EMPTY BOWLS REMINDER

It's not too soon to be thinking about making those bowls for donation to the NeighborImpact's Empty Bowls event. Sure, the event's not until November, but why not take advantage of the slower months before you start ramping up production for the summer shows. Need more details? Contact Helen at hbomm4@gmail.com

Thanks,
Eleanor Murphey
